I have the base maps, but they don't have the data yet. I'll forward those.

Thanks!

Hi Maryam,

In preparation for today's call between EPA and DTSC, I'm looking over my notes and am reminded about the figure showing all pre-remediation sample locations that you were working on when we last spoke. Is that figure available on Envirostor, and if so, can you please direct me to the right document?

Thanks a bunch, and I look forward to talking with you later today!

Best regards,

Sara
